

DIRECT OFFSHORE INVESTMENT PORTFOLIOS

Experience a world of opportunities through exclusive offshore investment portfolios managed by VEGA Asset Management (FSP 776) & Frants Preis, via a secure Swiss Bank Account that also serves as your brokerage account. This allows for the direct purchases of top shares, funds and [structured products](#) across all sectors on global stock exchanges.

EDMOND
DE ROTHSCHILD

Key benefits:

- Hedge against a weaker Rand: currency fluctuations, as well as political and economic factors pose a risk to local investments
- Global Exposure: Access the best investment opportunities and burgeoning sectors worldwide
- Safety & Security: Benefit from the stability of a trusted financial hub like Switzerland
- Direct Communication: Enjoy a direct line to the final investment decision-makers, ensuring personalized service and access
- Experienced Team: Our qualified team has a proven track record of outperformance since 2007
- Flexible Fee Structure: Fees on a sliding scale, but not exceeding 1.5% per year
- R500k minimum investment amount
